## SUMMARY

---

Front end developer with 3 years of experience, I thrive on solving challenges and transforming ideas into functional, user-friendly digital solutions. My expertise lies in building intuitive, responsive, and visually engaging web applications using modern front-end technologies. Collaboration, creativity, and attention to detail define my approach to development, ensuring that every project not only meets but exceeds expectations.

## WORK EXPERIENCE

---

### TriTim

March 2023 – Present

*Front end developer*

*Ljubljana, Slovenia*

- Led the redesign and development of the company's CMS front-end, resulting in a 35% increase in user satisfaction and a more intuitive user experience. Optimized CMS front-end code and successfully implemented a fully responsive design, ensuring seamless functionality and appearance across all devices, which led to a 25% increase in mobile user engagement.
- Successfully integrated various third-party APIs, including payment gateways, social media platforms, and cloud services, increasing the functionality and efficiency of client applications.
- Implemented cross-browser and cross-device compatibility for seamless user experiences.

### Studio Mazzini

Dec 2021 – Feb 2023

*Web developer*

*Ljubljana, Slovenia*

- Designed and developed a custom WordPress starter theme from scratch using the Options API, providing a robust and flexible foundation for all company websites, reducing development time by 50% by creating reusable components and a modular architecture, allowing the team to quickly build and deploy new sites with consistent design and functionality.
- Built responsive, accessible and dynamic web pages, developed the new company's website to be fully responsive, resulting in an increase in mobile traffic and a significant improvement in user engagement.
- Collaborated with a team of designers, developers, and project managers.

## EDUCATION

---

### B2 Higher vocational school

Sept 2021

*EQF level 5*

*Ljubljana, Slovenia*

- Information science engineer (VI/1)
